PIPE TOOLS & VISES
SINCE 1896

Visit the Water Services Tools & Machines section of Reed's website for the full-line of related products!

Valve Operator

- Power alternative to handturning valves.
- Individuals working alone can isolate a leak by shutting multiple valves easily with this time-saving tool.
- Uses Valve Keys with 1" square shafts.

Catalog No.	Item Code	Description	Weight	
			lbs	kg
VOKCLUTCH	05281	Spring-Loaded Valve Key Clutch	9.1	4.1
VOK700PD	05288	Kit includes 700PD power drive, VOKCLUTCH, 2" valve key, and valve key extension	64.0	29.1

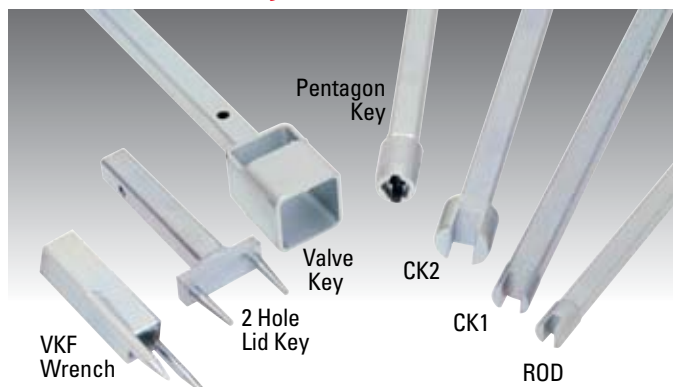

Ratcheting Hydrant Wrenches

- Thumb-screw adjustable socket fits pentagon or square nuts.
- Make loosening or tightening easier as the long handles provide good leverage.
- Fast ratchet action means greater speed during emergencies or for general maintenance like flushing.
- For use in tight spaces, HWR needs just 14° swing.

Valve & Curb Keys

Reed's selection of Valve Keys is the most complete and compact around for turning gate valves in the street and curb stop valves to buildings. Visit www.reedmfgo.com to see the full line of Valve & Curb Keys.

Valve Key Socket Set include: Valve key sockets in 3 sizes (small, medium, large), 3" screw & attachment plate in a durable carrying case.

VKSK Valve Key Socket Kit

Reed Valve Key Sockets are specifically designed to engage a rounded or corroded operating nut on valves in difficult situations. The Reed Valve Key Socket will attach to a standard gate key with the VKSK's screw and plate.

- Lower cost and lower maintenance than alternative tools.
- Rugged and durable, yellow zinc-plated, hardened-steel components.
- Made in USA!

Valve Box Cleaners

- Each is 6' long from handle to tip.
- All steel, zinc-plated tools - no brass.
- Heads are welded to handle - no parts.
- Tools are spring loaded. When the handle is released, the jaws continue to hold while the operator lifts the cleaner from the pit.

VBCSHV

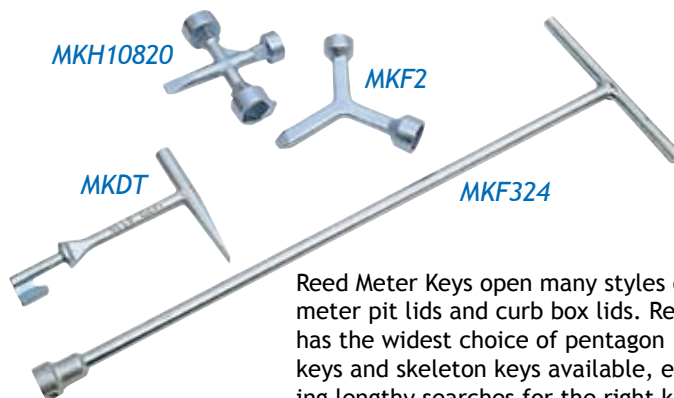

VBCGRIPSHV

Heavy-duty tools make valve and curb box cleanouts easier. Use the shovel or grip cleaners to grab debris, dirt and twigs.

Catalog No.	Item Code	Description
VBCSHV	09410	Mud shovel with cut-out to grab brush and small branches; fits thru 2 7/8" opening and opens to 4 1/2"
VBCGRIPSHV	09434	Combination mud shovel and gripper; fits thru 2 7/8" opening and opens to 5 1/2"

Meter Box & Curb Box Keys

Reed Meter Keys open many styles of meter pit lids and curb box lids. Reed has the widest choice of pentagon keys and skeleton keys available, ending lengthy searches for the right key.
