

PIPE TOOLS & VISES
SINCE 1896

700APD PNEUMATIC POWER DRIVE

Pneumatic-powered and portable to thread pipe and conduit up to 2".

Due to its pneumatic power source, the 700APD may be used in an environment where shock or sparks from an electric tool are hazardous.

Uses Reed R12+ Segmental Dies and Dropheads or Ridgid® 12R dies and dropheads.

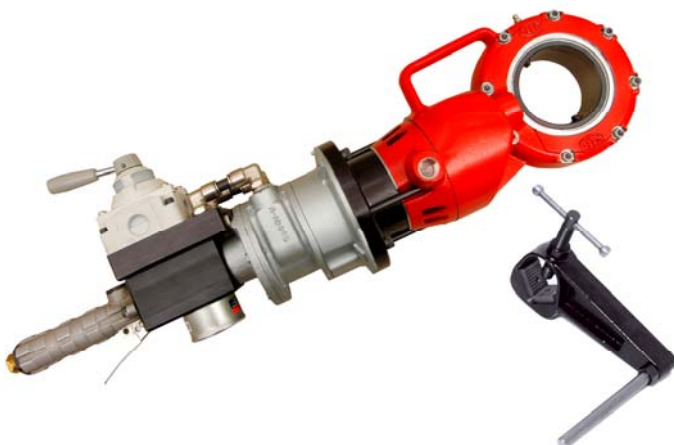

700APDSET includes power drive, safety arm and six Reed R12+ NPT Dropheads: 1/2" 3/4", 1", 1-1/4", 1-1/2", and 2".

Add VOK Clutch (#05281) to power Reed's Valve Operator for valve exercising.

700APD with OLBUCKET1, FRL & R450+ Tripod
