

# CORDLESS PIPE BEVELER

PIPE TOOLS & VISES  
SINCE 1896

*Only tool in the industry that provides a quick, easy and safe way to bevel plastic pipe.*

CPB with RBIT1

CPB with RBIT2

- **Portable** to jobsite, allowing operator to move from one length of pipe to the next.
- **Adjustable** CPB Beveler with RBIT1 creates 15° **external** bevel, up to 5/8" long on plastic pipe; optional RBIT2 yields bevel length of 7/16" - 1".
- Ideal for **large diameter** plastic pipe, including stationary pipe already in the ditch.
- **Long-lasting** carbide router bit uses 22,000 RPM, 18V Bosch® cordless die grinder for smooth, continuous bevel.
- Beveler shroud **CPBIDS** (optional) rapidly bevels 2" and larger **internal** diameters.

CPBKIT

CATALOG NO.	ITEM CODE	DESCRIPTION	CAPACITY
CPBKIT	04640	Kit for exterior bevels with Beveler Attachment, Router Bit, Bosch® Die Grinder, Battery & Charger	2" and up 50 mm and more
