Robust Guillotine Pipe Cutters

- Cuts both DIPS and IPS, from 2”–12” diameters.
- Clean and safe! No chips to clog valves and apertures.
- Requires minimal clearance, only 4”–6” around pipe.
- Square cuts due to strong frames and unique blade design.
- Smooth feed as operator advances the cut.

</table>

**NEW!**

- HPC4 2” - 4” capacity
- Great for use in waterworks and gas distribution.
- Static Grounding Device is strongly recommended.
- Hinged Latch opens to allow placement around the pipe.

**NOTE:** HPCs cut PE only and will not cut PVC or PP (polypropylene) pipe, such as Aquatherm®.

---

**NEW!**

- 22% lighter than prior model
- Fits true 8” DIPS

**HPC8+**

3” - 8” DIPS & IPS capacity
