Combination  
Drilling/Tapping  
Machine

PIPE TOOLS & VISES  
SINCE 1896

**QUALITY & Service**  
that Last a Lifetime

Individual Direct Tapping Machine or Drilling Machines can be purchased separately.  
 Combination "CDTM" machines are convenient for utilities that require both types.

For complete details of the contents for all Reed Tapping and Drilling machines, refer to Reed #01071 specification sheet.
