

debur with **EASE**

DEBURRING TOOLS

A smooth pipe end helps solvent spread evenly as pipe is joined. These tools not only deburr, but also produce a chamfer to manufacturers' standards in seconds. DEB1 and DEB4 models produce 15° chamfer on pipe.

DEB1 MODELS

- Fit PVC, CPVC, ABS, PP and PE pipe.
- Feature a knurled grip for slip-resistance.
- Durable aluminum body for longevity.
- Blade may be sharpened or replaced.

DEB4 MODELS

- Fit PVC, CPVC and ABS pipe.
- Fit comfortably in operator's hand for secure grip.
- Feature a reversible, sharpenable, hardened steel blade for two cutting edges.

Catalog No.	Item Code	Nominal Pipe Capacity
DEB1IPS	04650	1/2", 3/4", 1" for IPS pipe
DEB1CTS	04652	1/2", 3/4", 1" for CTS pipe
DEB1-2IPS	04654	1-1/4", 1-1/2", 2" for IPS pipe
DEB1M	04655	20, 25, 32 mm
DEB1-2CTS	04656	1-1/4", 1-1/2", 2" for CTS pipe
DEB1IPS-INT	04670	1/2", 3/4", 1" I.D./O.D. for IPS pipe NEW
